Head of Year Message

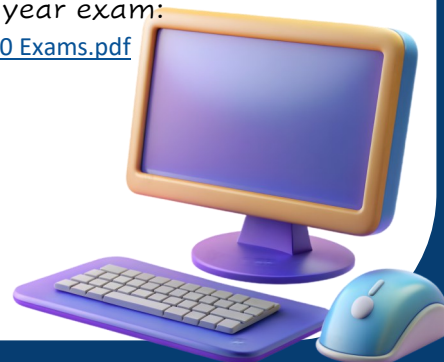

We are now entering the final stretch of the year. You've put in the work all year, and now it's time to show what you're capable of.

Every bit of effort you've put into every lesson, homework, revision and practice exam question has built you for this. Walk into your exams with confidence, stay focused, and trust what you know. You're capable of more than you realise.

You can use the following link for more details about your end of year exam:
